Build Your Own Printable Conversation Cards

The builder lays out up to 24 cards in this browser. Custom text stays in the current page memory and is not uploaded or saved by this tool. Preview the cards, choose a paper size, then use the browser print dialog to print or save a PDF.

An eight-card blank starter sheet and writing notes. Use the builder for cards containing your selected text.

Make a small, usable set

Write one clear prompt per card. Use short ordinary words, avoid private disclosures, and leave room for an invented answer or a pass. These blank starter cards contain no generated or selected question text.

Use the browser builder for typed cards

Select a public conversation deck, add up to 24 cards, and preview before printing. Custom text stays in current page memory. Reload or close to clear it; printed copies and downloaded files remain with you.
