

Quick meeting icebreakers

Host rules / Keep this page

3-8 players / 3-5 min / 32 original prompts

Pick one activity, not a whole deck. For up to eight people, a 20-second introduction plus one optional 15-second turn each leaves time for a brief close within three minutes. Larger groups can use pairs or a few volunteers. These are planned timings, not measured playtest results.

1. Read: "One short turn each. You can always pass. We'll finish in three minutes."
2. Read the activity. Start the optional timer, offer your own short example, then invite turns.
3. Stop the activity when the timer ends, even if some people passed. Thank everyone and start the meeting.

Always room for a pass

Passing, typing, or simply listening is fine. Do not call on someone who has declined a turn.

Preparation: none for spoken prompts; optional paper for sketch prompts. For remote groups, keep cameras optional and do not ask people to show their home or share private links.

Printing & privacy

Use A4 paper. Print single-sided at 100% / Actual size, one PDF page per sheet. Test one page first. Cut only the card pages; keep worksheets and bingo boards whole. Keep answers with their writers.

Original AI-assisted draft questions. Human English review, group playtesting, physical print quality, and duplex alignment are not yet verified. Planned durations are not measured outcomes.

Print check: measure these bars after printing at 100% / Actual size.
