2-8 adults / ages 18+ / One card or a short shared round / 24 original prompts

This 18+ college icebreaker set has 24 prompts and a write-then-share worksheet. Use it at adult orientation, a campus club, or a small adult student gathering. It asks for no course records, contact details, background, or personal timetable.

1. Confirm that this is an adult group, ages 18 and over. Choose one card for the group; the worksheet has space for up to three optional prompts.
2. Let people think or write privately before inviting volunteers. Writing and sharing are separate choices; nobody has to show a sheet or explain a pass.
3. Keep worksheets with their writers. Finish at the agreed point without collecting, photographing, grading, or displaying responses.

Always room for a pass

Answer, invent an example, listen, think quietly, or pass without explaining. Keep participation voluntary; do not score, record, or evaluate replies.

Use general or invented examples. Keep private information out of the activity. No account, shared online room, or response upload is part of this page.

Printing & privacy

Use Letter paper. Print single-sided at 100% / Actual size, one PDF page per sheet. Test a page first. Cut only card sheets; keep notes and worksheets whole. Do not collect answers.

Original AI-assisted draft questions. Human English review, group playtesting, physical print quality, and duplex alignment are not yet verified. Planned durations are not measured outcomes.

Print check: measure these bars after printing at 100% / Actual size.
